

Ann Summers Dump Pornhub

Ann Summers has teamed up with Pornhub for a 'fun range of sex toys'.

Pornhub is the world's largest porn site. It is full of millions of home made videos of men abusing women. The titles alone speak for themselves:

'Broken Slutty Teens
Getting Their Holes
Wrecked' Channel

74 Million video views

We sincerely apologise for offending or upsetting you. But this is what porn is. 90% of porn shows women crying, screaming or totally dissociated while they are sexually abused, often by gangs of men, with violent sex as they are hit, choked & humiliated. Much of the rest is worse - tortures & mutilations, real and pseudo child porn. And all this can be found in a mouse click on Pornhub.

'Extreme Brutal Gagging'

472,000 views

'Extreme Painful
First Anal'

1.5 Million

'Japanese Daughters
Banged in Family'

1.9 Million video views
