Executive Summary

The content of The Sport newspaper is 'glamour' shots (pictures of young women in G-strings and pornographic poses) and ads for the porn and sex industry. We have reproduced here the entire contents of The Sunday Sport, Feb 28, 2016 apart from the sport's section on the back pages which is the only part of the newspaper without such images – presumably so its readers can concentrate.

This issue is typical of all Sunday Sport publications.
