In Summary

Almost every single page of The Sport newspaper has 'glamour' shots (pictures of young women in G-strings and pornographic poses) and ads for the porn and sex industry on them. We have reproduced here the entire contents of The Sunday Sport, Feb 28, 2016 apart from the sport section on the back pages – entirely devoid of such images, presumably so its readers can concentrate.

This issue is typical of all Sunday, Weekend and Weekday Sport publications. They are all sold on the bottom shelf of sweet shops, newsagents and petrol stations
